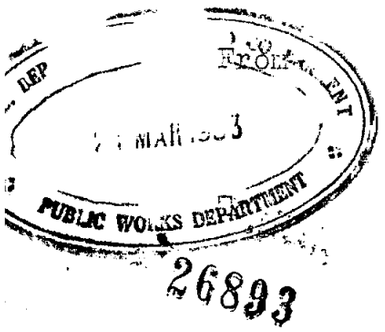
Dated 6th April, 1953.

[Despatch Abstract.]

Electricity Department - Establishment - Temporary - Koyalaseema Power System - Ceded Districts - Commercial sub division at Bellary - Staff - Continuance - Sanctioned.

GOVERNMENT ELECTRICITY DEPARTMENT.



The Chief Operation Engineer(North)
157, Mount Road, Madras-2.

The Secretary to Government,
Public Works Department, Madras.

No.482 H/53-6 dated 20-3-53.

Sir,

Sub: Establishment - Temporary - Rayalaseema Power System - Commercial Sub-division - staff - Continuance - Proposals.

Ref: G.O.Ms.No.543 P.W. dated 12-2-52.

Sanction was accorded for the continuance of the following staff in the G.C. cited above till 31-3-53 for attending to the Commercial work in the Rayalaseema Power System:

One Assistant Engineer(Electrical)
One Draftsman III grade
One Tracer
One Lower Division Clerk
Two Junior Engineers
One typist and
Four peons.

In as much as load building for the Thungabhadra Hydel Scheme must continue without interruption so that the Thungabhadra Hydro Power Houses may function with a reasonably economical load, commercial activities should not be stopped in this comparatively backward area. Further the Superintending Engineer reports that there are about 45 major schemes costing about Rs.90 lakhs in all, either under finalisation in the central office or in advanced stages of investigation. It is also necessary to utilise the Mysore power now available in the area to the maximum extent.

In the circumstances explained above, I request Government may be pleased to accord sanction for the continuance of the above posts till 31-3-54 at an early date.

I propose to continue the posts beyond 31-3-53 if orders of Government sanctioning their continuance are not received by that time. I request that my action in this behalf may please be ratified. -

N. Venkataraman
